- 1000 m2 space
- Training class room with 40 people capacity
- Auditorium with 90 people capacity
- More than 30 products exhibited
- 500 m2 of available space

- 1 Atrium
- 2 Control Center
- 3 Audiovisual Screen
- 4 Speaker area
- 5 Smart Grid poster
- 6 Hot point-product presentation
- 7 Training class room
- 8 Customer zone-catering
- 9 International poster
- 10 Indoor square
- 11 Primary Distribution
- 12 Secondary distribution
- 13 Renewables
- 14 Transformer Substation
- 15 CFI-500
- 16 PFS-62
- 17 PFU-7
- 18 CTR
- 19 miniBLOK
- 20 Equipment for Transformer substation (Tranformers,...'85) y Low Voltage Board
- 21 IKUSI area
- 22 Euromold
- 23 Electronic Applications panel
- 24 Busbar showcase
- 25 Training Workshop
- 26 Store, Closet
- 27 Product store

## PERMANENT TRAINING CENTER

OCEx is equipped with two different areas in which internal as well as external training are conducted.

### Training room

The 50sq meters training room is equipped with the media needed to give trainings up to 36 people.

It has been conceived to impart some different profiles of training for external attendants:

- Tech-days
- Customer royalty courses
- Electrical technology course
- Talks for professional associations

...as well as to develop theoretical- practical trainings for internal staff.

### Training workshop

This area has been conceived with the purpose of training the after-sales staff in different concepts:

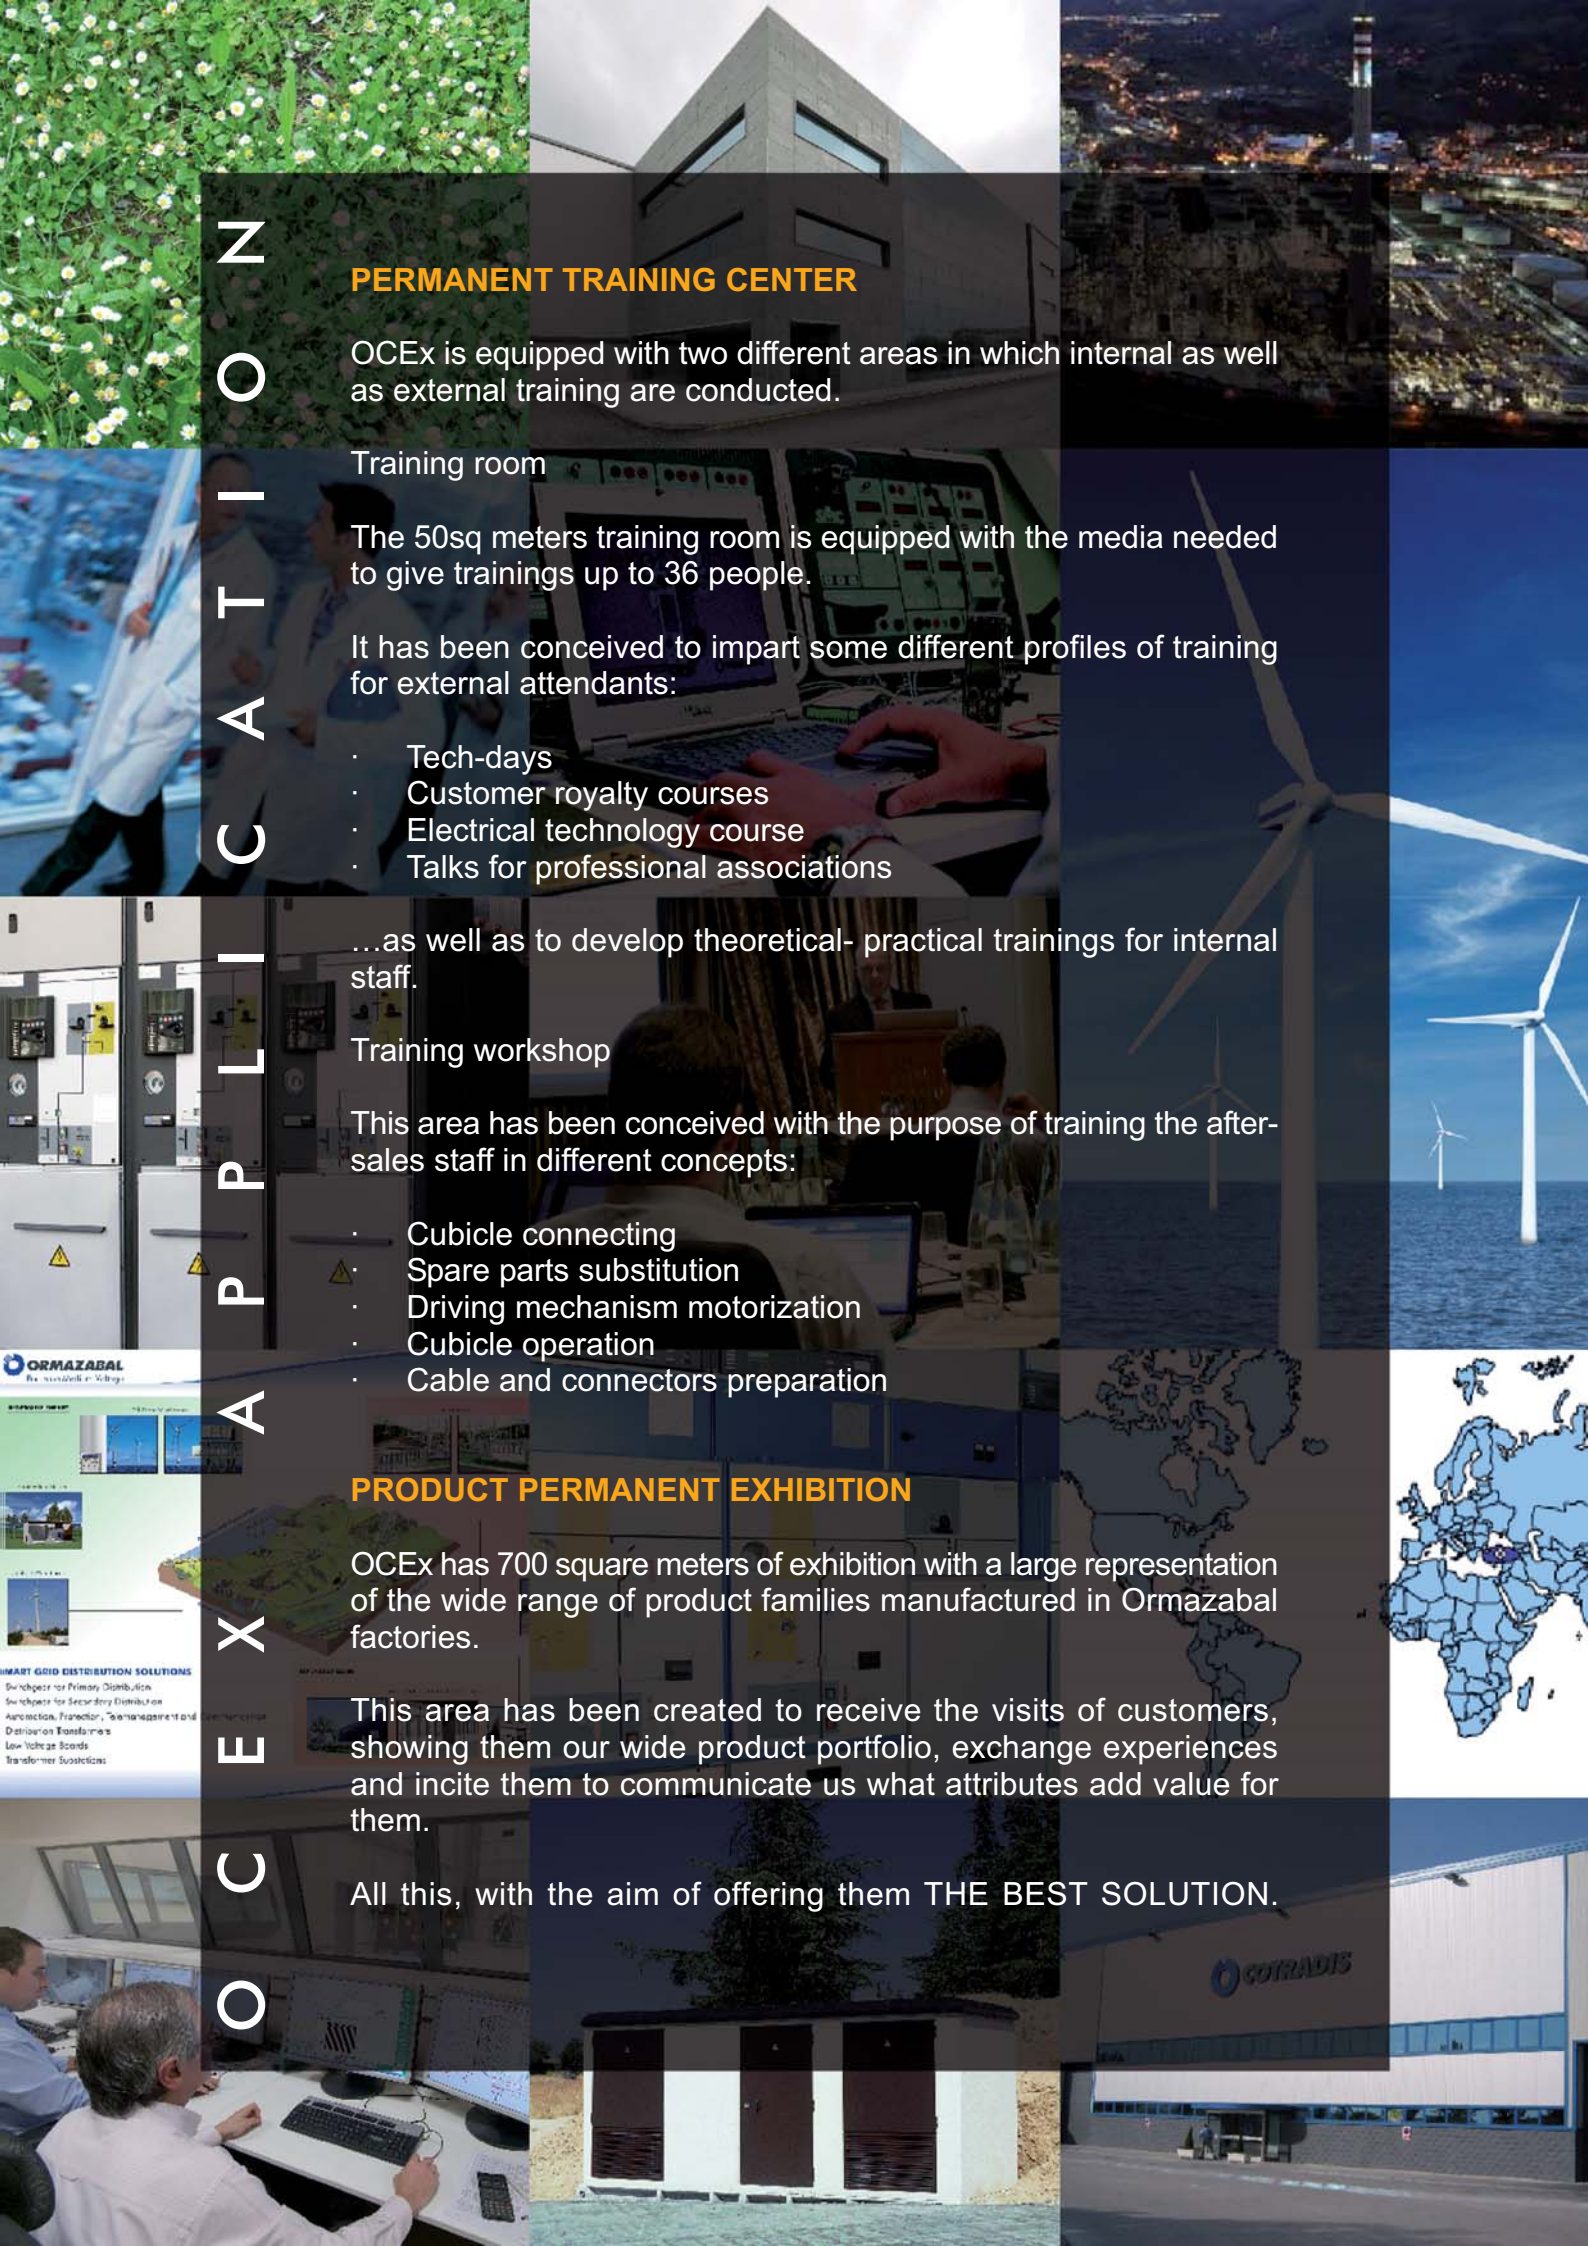

- Cubicle connecting
- Spare parts substitution
- Driving mechanism motorization
- Cubicle operation
- Cable and connectors preparation

## PRODUCT PERMANENT EXHIBITION

OCEx has 700 square meters of exhibition with a large representation of the wide range of product families manufactured in Ormazabal factories.

This area has been created to receive the visits of customers, showing them our wide product portfolio, exchange experiences and incite them to communicate us what attributes add value for them.

All this, with the aim of offering them THE BEST SOLUTION.
